Site Setup, Bump Out and Event Maintenance

Lend a hand with set up or pack up and pitch in when the unexpected happens. You will be working under the direction of our Production Manager doing anything from lying down and pegging shade cloth in marquees, marking aisles and setting out chairs and trestle tables to cleaning up, and when the party's over – it's time to do it all in reverse: stacking and counting chairs, cleaning and storing equipment, clearing the site and so on. Very physical job.
